

I think it is a violation of my constitutional rights that you would try to limit what XM Radio offers. I pay for this service.... Yes PAY! I hate commercial radio, it does not offer the choices that XM Radio does. I know your only allegiance is to Bushy and all his wealthy Republican money grubbing lobbyist supporting cornies. Give us a break. You wanted to relax rules on owning more stations, we disagreed and told congress. Now you try to do this. Why don't you go find someone else to "regulate", like Disney for not distributing the new Michael Moore movie! The weather/traffice offered by XM does not pose a "threat" to any commercial station. I'd be listening to them if I wanted to, but I don't!
